

At People's United Bank, helping our communities grow and thrive has always been an important part of our business. Massachusetts is not only where we do business, it is where over 450 of our employees have chosen to live and raise their families.

We are proud of our commitment to Massachusetts and we are pleased to share the following highlights of our community support in 2017.

- \$655,650 in donations and sponsorships to charitable organizations from People's United Bank.
- \$1,251,789 in grants were awarded to 181 nonprofit organizations from the People's United Community Foundations.\*
- \$8,148,483 in equity investments advanced to Massachusetts affordable housing projects.
- \$73,674 donated to our local United Ways and member agencies through employee donations.
- In celebration of People's United Bank's 175th anniversary, the People's United Community Foundation awarded \$175,000 to Junior Achievement USA and bank employees participated in 175 volunteer projects.
- \$5,799,000 in Small Business Administration 7a and 504 loans approved for 23 businesses.
- 119 classes taught through our Financial Education Community Outreach program, reaching 2,221 individuals.

IN OUR COMMUNITY

over  
**\$1.3m** of equity investments in affordable housing and SBA loans

**\$800k** in donations, sponsorships and volunteer impact\*\*

over  
**\$1.2m** People's United Community Foundation

**2.4k** hours of employee volunteerism, creating an economic impact of \$71,682

\* People's United Community Foundation and People's United Community Foundation of Eastern Massachusetts, operating independently from People's United Bank, provide grants for programs and services that improve the quality of life for residents in the neighborhoods served by People's United Bank.

\*\* This total reflects the dollar value of People's United Bank's donations, sponsorships, United Way employee giving and volunteer impact.
